ZONING VERIFICATION APPLICATION SUBMITTAL PROCEDURES

Purpose

Zoning verification is a document provided by the city of Covington to verify the current zoning of a specific piece of property within its municipal boundary. Upon request, the Planning and Development Director shall have the authority to issue written zoning verifications.

Procedure

- Requests for a zoning verification shall be on the appropriate application, accurately identify the property, and be accompanied by payment in the amount of one-hundred dollars (\$100.00). Checks shall be made payable to the City of Covington.
- The Planning Director shall have one business day to review the request and ten business days to complete the request.
- A self-addressed and stamped envelope or pre-paid overnight envelope shall be provided with the application.
